

Join HSBC Quants Academy course

Dear Student,

As part of cooperation with Jagiellonian University, HSBC Service Delivery would like to invite you to take part in **HSBC Quants Academy** course at Faculty of Mathematics and IT.

HSBC Quants Academy is a brand new university programme that has been created and will be delivered in the summer semester (starting in Feb 2019) by HSBC experts from quant teams.

During this course you will learn more about model risk frameworks and risk management. It will also include introduction to labour market from quant perspective.

For further details please refer to the link below and register as per University's guidelines:
